STOP TO TAKE IN THE BEAUTIFUL VISTAS OF NORTHERN ONTARIO

As the largest city on Lake Superior, Thunder Bay is the gateway to Canada's great outdoors. It was built on traditional lands of Fort William First Nation, signatory to the Robinson-Superior Treaty of 1850, and on historic Métis settlements.

It is situated on the shores of the world's largest freshwater lake, is embraced by the Nor'Wester Mountain range and is a vibrant urban community in a wilderness setting. Thunder Bay offers visitors vibrant culinary and culture with enriching scenes that include Indigenous arts, local farm to table food experiences, events and both natural and historic attractions.
